

GROUNDS FOR PROFIT

Your logo on every cup.

Engraved and full-color printed tumblers your regulars carry all over town. Made in Pacific Beach, from 50 cups.

“The cups sell themselves. People carry them all over PB, so my logo is walking around town every day. They paid for themselves twice over.”

At a 50% margin, about half the order sold covers the whole invoice. The rest is profit.

Regulars keep coming back

Cup owners refill almost daily and spend about \$6.50 a visit. A \$1 refill discount really costs \$0.64 once you count the disposable cup you didn’t hand out.

Up to 47,000

disposable cups and lids kept out of the trash each year by 183 cups in use.

Let’s put your logo on the counter.

Start with 50 cups. Free proof, no commitment. Ready 10–15 business days after you approve it.
